MISSION

- ✓ To provide complete logistic solutions that are not only efficient but also reliable & affordable.
- ✓ To gain confidence & trust of our valued clients by conducting business with complete honesty and integrity.

QUALITY POLICY

Our operational excellence provides the foundation for the integrated logistics solutions that we offer to our customers. The team of skilled professionals constantly monitor operational performance by maintaining a PDCA (Plan / Do / Check / Action) cycle for continuous improvements. We focus on the development of highly advanced logistics technology and the global training of personnel. By providing in-depth analyses of the transportation environment and of various other technical services, our mission is to add critical value to our logistics solutions.

Our strong competitiveness relies on our proven track record of high quality operations, a tradition maintained throughout our growing global network.

WHY CHOOSE US

We offer a convenient menu of standard freight management services, including Air, Sea, Road and Sea/Air to balance urgency and cost-effectiveness for your day-to-day shipments. Some of the factors that have helped us to evolve as the preferred logistics solution provider are as follows:

- ✓ Tailor-made logistics outsourcing packages & computerized systems for handling the specific needs of our customers in their budget.
- ✓ Well knitted global network with presence across 50 countries.
- ✓ Capability to handle export and import of full loads or consolidations, (including temperature-controlled containers for commodities like pharmaceuticals & perishable items)
- ✓ European & global network of door to door services with main overseas partners.
- ✓ Nationwide branch coverage throughout Pakistan with purpose built, customs Controlled freight terminals.
- ✓ Flexible multi-nodal capability combining FCL/LCL deep sea services with Air Cargo and overland network.
- ✓ Convenience routing of Far East and North American transit cargo.
- ✓ Working with best corporate sector and high profile clientele.
- ✓ Stock control and warehousing/distribution programs as well as track and trace systems for meeting the Import as well as export related needs.
